Round Up!

A brief review of Fort Bragg Garden Club happenings and member activities. A glance at what is coming up, and a couple announcements.

The Victorian Fern Garden project, imagined and planted under the guidance of Ruth Sparks, was in need of a little TLC. So, on **Sept. 29**, FBGC members Kay Rex, Tina Delucchi, and Peggy Martin braved a little rain to weed, remove dead fronds, and do a general clean-up of the garden area. Ruth Sparks was on hand to lend support and to cheer them on. The Guest House

Museum Victorian Fern Garden was planted by Fort Bragg Garden Club members on Sept. 14, 2017, in honor of the 125th birthday of the Guest House Museum. The Victorian Garden has been added to our Civic Beautification (project) maintenance list. We get together at one of the sites each Thursday following our Monday general meeting. The project maintenance list also includes Garden Club plantings at the FB Post Office, Cotton Auditorium, C.V. STARR Center, and Silver Gate.

Bee City Bee Garden continues to grow. Donna Worster, Cornelia Reynolds, Tina Delucchi, and Peggy Martin all members of Fort Bragg Garden Club, and the Fort Bragg **Bee City** committee, along with FBGC member Kay Rex had two garden expansion and clean up days in **October**. Supported by Fort Bragg Garden Club and other local groups, Bee Garden at **Guest**

House Park was created by the Fort Bragg Bee City U.S.A. Committee as a way to promote bee habitats, and fulfill the commitment to encourage creating sustainable, pollinator friendly habitats. The next Bee Garden maintenance day will be **Nov. 20 at 3:00**. All are welcomed to lend a hand.

You may have seen Project Sanctuary honored by Fort Bragg Bee City U.S.A. for their thriving bee garden (Oct. 4, Fort Bragg Advocate-News). But did you know that FBGC member Cornelia Reynold's is the chairperson for the FB Bee City U.S.A. committee? And, presenting the Bee City yard sign in the photo is our very own Tina Delucchi.
