

Fort Bragg Garden Club
November 2020 Update

Dear Garden Club Members,

It is the sincerest wish from the board for us all to have a Peaceful and Joyous holiday season. This pandemic has given us the excuse to slow down and to see how much that we truly have to be grateful for.

We will be taking a break from having our annual Cookie Walk this December, but are discussing plans for a different type of fundraiser that will be Covid- safe and a LOT LESS WORK than any of our previous fundraisers. Interested?! Well, stay tuned for details in January.

For those that missed our General Meeting on Nov 9th, Julie Apostolu, the Director of the Fort Bragg and Mendocino Farmer's Markets spoke to our group. It was apparent how lucky our Community is to have such a dedicated individual in charge. It was very interesting to hear about the many and varied tasks that go in to running a Farmer's Market under normal times – let alone during a pandemic. Her efforts are certainly applauded and appreciated. Thank you, Laura Welter for bringing another exceptional speaker to our club this year.

There is no meeting scheduled for December, so everyone please put Jan 11 on your calendar to hear the next speaker. She is Suzi Marques Long, and a local artist, who will paint a picture of a flower at our next Zoom meeting. Doesn't that sound relaxing?

Here's to a Happy New Year for us all!

Tina
