## Round Up!

A brief review of Fort Bragg Garden Club happenings in September, a glance at what is coming up, and a couple announcements.

A small, but energetic crew was on hand **Sept. 15** to pour gravel and wood chips, and put in plants, to complete a Meditative Garden at the Fort Bragg Senior Center. Designed by Fort Bragg Garden Club Vice President Tina Delucchi, the project took about an hour and a half to complete. Participants in this project were Garden Club members Laura Welter, Johanna Brekke-

Brown, Kay Rex, and a few Occupy Mendocino members. The garden will be maintained by Tina Delucchi.

It's that time again! Cornelia Reynolds, Tina Delucchi, Donna Worster, and Peggy Martin all members of Fort Bragg Garden Club, and the Fort Bragg **Bee City** committee have scheduled a gardening opportunity this **Saturday, Sept. 28**. We will be expanding the Bee Garden at **Guest House Park** by putting down cardboard and covering it with compost. We will also weed and deadhead the existing garden. All are invited to join us. We will begin at 10:00.

**The Ukiah Garden Club** is holding a Home and Garden Marketplace on **Saturday September 29** from 8am-2pm, and **Sunday September 30** from 9am-2pm at the clubhouse 1203 W. Clay St. Ukiah.

Club members have gathered vintage and collectable items, furniture, jewelry, books, artwork, household goods and more that can become your treasures at great prices. They have also propagated plants including: perennials, succulents, fall vegetable starts, herbs, specialty irises, trees and shrubs.

The highlight of this sale will be the pumpkin and succulent table-top arrangements crafted by members. Proceeds will fund the scholarships for local

horticultural students at Mendocino College, and preservation of the historic garden clubhouse. Contact: Rhea Pitchard, Ukiah Garden Club, 707-468-7436
