

September 18, 2021

Hi Gardeners,

FBGC had a wonderful sunny Monday meeting at MacKerricher Campfire Site with a combination of returning and new members. Sage Andersen engaged, educated, and entertained us with house plant care, trends, and propagation.

Activities in the next two weeks that might interest you:

**Monday September 20**, 11AM Memorial Wreath Laying

Meet at Silver Gate parking lot for the short walk and wreath hanging. The wreaths are a tribute to Geraldine Pember and Lynn Cyrilla Crutcher who taught us so much about flower arrangements.

**Tuesday September 21**, 2PM Bee Garden Weeding

Meet behind the Guest House Museum (just south of the Skunk Train Station) Remember your garden gloves and weed tool for this fun hour of work and conversation.

**Wednesday, September 22**, 10 AM Mendo-Lake District ZOOM Meeting Our Kay Rex's slide presentation is "Creating and Maintaining a California North Coast Native Plant Display Garden."

<https://us02web.zoom.us/j/81971630186?pwd=dmJzZVYwS01Qa3l1c0dodUo1QXNadz09>

Meeting ID: 819 7163 0186

Passcode: 272358

**Tuesday, September 28**, 2PM South Lincoln Community Garden Tour Meet at CV Starr for this tour led by the Garden Manager, also a Garden Club member, Tina Delucchi.

[If you are interested and can't make this time, there will be a second opportunity, probably in October, on a different day of the week.]

Please feel free to join any activity that appeals and works into your schedule. If you have any questions, call one of us.

There is a lot of interest in the many activities for the year, as you can see from the attached sign-up lists from the meeting. Those of you who did not sign up or did not make the meeting are invited to add your name to any project.

Short descriptions are included in the attached document, as well as the name of the Board member who presented the project at our meeting. They may not necessarily lead that project, but they are someone you can call with any questions you may have. No specific commitment is asked for right now, but you will be included in info about that project.

With several new members and a strong program for the year ahead, we are looking forward to the fun, and inevitable surprises, of a successful year.

Sincerely,

Johanna Brekke-Brownell **734-9040**

Cornelia Reynolds **494-2149**

Co-Presidents

P.S. Our club yearbook will be distributed at our next membership meeting, Monday October 11, 1PM at MacKerricher State Park. Johanna will present a workshop on propagation.
